

Dragonfly Aviation, Inc.

2222 Airport Blvd.

Santa Rosa, CA 95403

(707) 575-8750, FAX (707) 575 0390

Rental Responsibility Agreement

On each flight made by me subsequent to this date in equipment owned or operated by Dragonfly Aviation, INC (hereafter called "operator"), I agree to comply with following requirement:

1. I will inspect and make a ground check of the aircraft, its equipment, and accessories before takeoff and will not accept said aircraft until I am satisfied as to its airworthiness and proper functioning of said equipment and accessories.
2. I will return the aircraft at the agreed time, weather permitting, and will return it in the same condition as departure, normal wear and tear expected.
3. I will observe all Federal, State, and Local air safety regulations.
4. I will obtain weather reports and forecast immediately prior to any flight.
5. I will allow no one else to fly the aircraft.
6. I will use the aircraft for the purpose of pleasure flight only.
7. I will not use the aircraft for the purpose of compensation or hire.
8. I will not use the aircraft for the purpose of receiving or giving dual flight instruction unless written permission is obtained from the Operator above.
9. I agree to pay for all loss or damage to the equipment, and as occasioned by loss or damage to the equipment, utilized by me pursuant to this agreement, and for all loss and damage to other persons and property caused in whole or in part by my negligence or by my failure to comply with any of the provisions thereof. Without in any way limiting the generality of the foregoing, I agree to pay to the Operator upon his demand, the first (\$1000) on thousand dollars in damage to the equipment occasioned by "Aircraft in Motion" events and the first (\$250) two hundred and fifty dollars in damage occasioned by "Aircraft Not in Motion" events.
10. I agree to report all accidents, major or minor, to the Operator at once, together with names and addresses of witnesses and involved parties and in the event of an accident, will not remove the airplane unless expressly authorized to do so by the Operator.
11. I agree not to tamper with, molest, or attempt to repair any part of the airplane or its accessories.
12. I expressly agree to and hereby indemnify and hold Operator harmless of, from, and against any and all loss, cost, damages, attorney's fees and/or liability in connection with the foregoing contact.
13. I understand that all flights will be dispatched by Dragonfly Aviation personnel only.
14. I agree to pay Dragonfly Aviation for all costs associated with ferrying the aircraft back to Santa Rosa in the event my flight terminates at a different airport.
15. I agree to pay one shop hour in the event I leave a master switch on, requiring recharging of the battery.
16. As a student pilot I understand that unless another instructor is arranged ahead of time, I must be dispatched by my own instructor for all solo flights.
17. I agree to file a flight plan with Oakland Flight Service Station on all trips exceeding 50 nautical miles from Santa Rosa Airport, and leave a copy on file at the front desk before my departure.
18. I understand I must be current according to company policy requiring at least one flight hour every (60) days. If I am current in a more complex airplane, I am considered to be current in any less complex airplane in which I have received a check out at Dragonfly Aviation.
19. I understand that I am not authorized to fly to Mexico or outside the 48 contiguous United States without advance written application and written permission from Dragonfly Aviation and the registered owner of the airplane owner

Dragonfly Aviation will not dispatch or authorized aircraft to depart or fly into severe weather conditions. I understand this and agree not to fly into such conditions. In addition I understand I must be current for VFR and IFR to exercise my pilot privileges.

Dragonfly Aviation's insurance coverage has been explained to me. This insurance does not apply to insure a Student Pilot or Renter Pilot who operates or permits the aircraft to be operated for any purpose or use for which a charge is made by the Student or Renter Pilot, or for which the Student or Renter Pilot receives compensation.

I acknowledge that I have read and understand the above rental agreement and agree to operate Dragonfly airplanes in accordance with the airplane manufacturer's requirements and procedures.
